Mr. J. B. Powers, of Stephensport, was in the city yesterday. Mr. Powers is way up in years, but he showed the vigor of youth is still hanging on with him by disregarding the convenience of a railroad and walking down as in the earlier days.

Mr. Mike Jungling and Miss Winnie Harris will be married in the Elm-street Methodist church today at 8 o'clock p. m. Mr. Jungling is the master machinist at the shops and Miss Harris is the handsome cashier in Sulzer's store.

The news extra congratulations.

W. H. Prather was arrested in Shelby county last week by Deputy U. S. Marshal Scott, charged with violating the revenue laws. He is said to have perkins of whisky out of a bottle while attending a revival in Breckenridge Co. Prather declared he gave the liquor away.

The tobacco market is in a very unsatisfactory state. Local dealers are for the most part, holding last years purchase and cant sell at cost. The farmers who ship to the Louisville market, however, in some cases one half the price they were offered at home and we have two good Cloverport buyers taking the week long trip.

Mr. C. F. Davis, editor of the Bloomfield, Iowa, Farmer, says: "I can recommend Chamberlain's Cough Remedy to all sufferers with colds and croup. I have used it in my family for over two years and have found it the best I ever used for the purposes for which it is intended. 50 cent bottles for sale by A. B. Fisher, Cloverport and Kincheloe & Meador, Hardinsburg."

The Cloverport Dramatic Company gave a double bill presentation of the drama, "The Cape Mall" and the three-act comedy, "Uncle" in the Free Front Hall last night to a large audience. The program will be repeated at a matinee this afternoon, beginning at 2:30 o'clock, for the benefit of the Enterus Sons Club. This is a good company of actors and performers, and the matinee should be largely attended.

The Enterus Sons Club gave a Valentine Tea at the hospitable residence of Mrs. and Mrs. G. W. Moorman on the 14th inst., afternoon and evening. Coffee, chocolate and tea were served at different tables by handsome young ladies, the parlors were beautifully decorated, the good music echoed through the halls, the fragrance of sweet-scented flowers floated in the atmosphere, and nothing was left undone that would add to the enjoyment of their many guests.

Vests have turned over a new leaf. By their ad in this issue it will be noticed that on the first day of March they will start the "cash or no trade" plan. Members of the firm state that they mean just what they say and that they intend to treat all alike. They will not make fish of one and flout of another, but all-rich or poor, black or white—must pay cash when they get their goods. This is a departure from the usual mode of transacting business in Cloverport, but it is probably in the right direction.

Seed dates.—Sulzer's.

Children's new stock.—Sulzer's.

We need not be surprised at any time, but of his family, however, in Cannelton. Artman's crime grows more brutal the more particulars are heard.

The Democratic Committee Meets at Hardinsburg and Sets a Date for the Primary.

An Enthusiastic and Harmonious Gathering of Good and True Democrats

A Few More Days Will We Skirmish With Each Other, Then Face The Enemy.

DEMOCRACY WILL PREVAIL.

The County Democratic Committee met in the Court-house at Hardinsburg last Monday, in response to the call of the Chairman, Hon. D. E. Murray. Mr. Murray called the Committee to order and they took their seats in the bar of the court room. There were some two hundred or more Democrats from the various sections of the county present. The Chairman said it should be an open meeting, free to the candidates and their friends. It was his purpose to keep nothing back, nor to do anything behind closed doors. He wanted every candidate present to see and hear, so that they could see that the actions of the Committee were the result of the success of the party and without prejudice to any of the aspirants for the various offices.

With these preliminary remarks the Chairman asked the Secretary to call the roll, and the Committee proceeded to take up the business in hand.

Secretary Mike Miller proceeded to call roll, and the following members answered to their names: Thos. McClure, G. W. Payne, Dr. J. B. Frymire, J. V. McClure, Chas. H. Drury, J. W. Storms, E. L. Robertson, John A. Cook, F. N. D'Hay and Morris Beard. There were two members, Messrs. Toney and Egart, absent, but they were represented by proxies which were on motion of Mr. D'Hay received, and the Committee proceeded to business.

Mr. F. N. D'Hay made the first motion which was carried unanimously, and that was to hold a primary under the State law regulating such elections.

Mr. McClure on motion named April 7, as the time. Mr. D'Hay was in favor of putting it off until the last Saturday in May. The majority was with Mr. McClure, and the motion was carried.

Washington's Birthday Will be Appropriately Observed by the Pupils of our High School.

The Untried Are Still Untried, and Republican Bluster Encourages Them.

Three More Good Democrats are Willing to Sacrifice Themselves or Carry

DEMOCRACY TO SUCCESS.

It seems.—We announce this week the candidacy of F. K. Rhodes, of McDaniel, for Sheriff, subject to the action of the Democratic primary, April 7th.

Mr. Rhodes is at the present High Sheriff of Breckenridge county and he has made a grand and successful race two years ago against a combined opposition of Republicans and Populists, and he has made an efficient officer. He is a fine man and a good Democrat.

Thos. L. Wroe, of Cloverport, and Chas. B. Miller, of Hardinsburg, are as good men as could be selected in their respective sections. As yet the ticket has no opposition in Democratic circles, and we know of none that it may have. With the endorsement of Democracy, it is a sure winner in November.

It seems.—It will be noticed that in our announcement column is the name of T. B. Henderson, of Webster, as a candidate for County Court Clerk, subject to the action of the Democratic primary, April 7th. Mr. Henderson is a fine gentleman, a popular citizen, a good Democrat, and as the nominee of the Democratic party, he would make it uncomforably hard for "Street Owners."

It seems.—We announce Mr. A. A. Laffett, of Cloverport, as a candidate for Surveyor of Breckenridge county, subject to the action of the Democratic primary, April 7th. Mr. Laffett is a gentleman well qualified for the position to which he aspires. He is a fine man and a good Democrat and his nomination will add strength to the Democratic ticket.

It seems.—We know of no opposition to him in Democratic circles.

SIROCCO.

Mr. Wm. Bewley is at present suffering from an attack of a gripple.

Miss Ida Shuman, of Still's Valley, is visiting her cousin, Miss Flora Still.

Miss Elizabeth Hughes is visiting her daughter, Mrs. Fife at Stephensport.

Mr. and Mrs. L. N. Woolfolk and son, Robt, visited Mrs. Woolfolk's father, Mrs. Elizabeth Norton Saturday and Sunday 16th and 17th inst.

Miss Alice Haddock contemplates visiting her cousin, Mrs. Leander Bruner, near Clinton, of Hawesville, next Saturday and Sunday.

The young hearts are all in a flutter at the thoughts of the fun they anticipate having Saturday night at the party at "The Nealus".

The hickory mill has shut down for the present. The proprietors being unable to put the handles already sawed on the market on account of the condition of the river.

Albert Bewley has just recovered from a siege of the chicken-pox. I thought Albert had outgrown such childish diseases. To see him paying his devotion to the "fair sex" you would verily believe him every inch a man.

By all means enlarge the paper, Dear Editor, if this wintry weather lasts much longer it will require a sheet to accommodate your Sirocco article.

I often wish that I could write with a serious pen, but somehow it will get twisted around into a funny shape. I sometimes think that I was cut out for a humorist but "nature" failed to let the fact be known in time.

I was pleased to see Mr. M. J. Beaman's letter in the News, and hope he will write often. Mack is a nice little business man, every inch of him. His successful business career is a sufficient evidence of the merits accorded to him by many friends.

Efforts are being made for a grand concert at Oak Grove school house, Friday night, the 23rd inst. George Wiles' school closes on that day and his scholars assisted by quite a number who "have been there before" will endeavor to give an interesting and free exhibition to all who will honor them with their presence.
